## 1. Introduction

At Great Wilbraham, we want all our children to be confident, resilient learners. We believe that learning another language opens up the opportunity to have a wider understanding of the world and other cultures. We expect children to feel equipped to express their thoughts in another language and to understand and respond to its speakers. Teaching in KS2 will pave the way for further language learning in preparation for KS3. At Great Wilbraham, all contributions are valued.

## 2. Quality of Education

### 2.1. Intent of the Curriculum

#### Curriculum design and coverage

Our curriculum intent for French is:

- DIVERSITY – promotion of a different culture
- VALUES – supportive atmosphere and learning from others
- ASPIRE – developing vocabulary and language
- RESILIENT – positive attitude towards all aspects of French: spoken, listening and written
- THINK CRITICALLY – when we and others select the most effective way to phrase a sentence
- ENGAGING – use of specifically tailored resources

At GWPS our curriculum is at its most effective when:

- It is CREATIVELY taught and practical; children are engaged and have a love of learning
- When children are CONFIDENT to ask questions, try new approaches and learn from each other;
- We are CARING about the diverse world around us and TOGETHER we go on a journey of self-discovery.

#### 2.1.1. Knowledge and skills

At KS2, we aim for all our learners to:

##### Speaking and Listening

- Listen attentively to spoken language and show understanding by joining in and responding;
- Explore the patterns and sound of language and link the spelling, sound and meaning of the words;
- Engage in conversations; ask and answer questions; respond to those of others; seek clarification and help;
- Speak in sentences using familiar vocabulary, phrases and basic language structures;
- Present ideas and information orally to a range of audiences.

##### Reading and Writing

- Develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases;
- Read carefully and show understanding of words, phrases and simple writing;
- Broaden their vocabulary and develop their ability to understand new words introduced into familiar written material;
- Describe people, places, things and actions orally and in writing;
- Write words from memory and adapt these to create new sentences, to express ideas clearly;
- Understand basic grammar appropriate to the language being studied.

#### SEND

The teaching of a Modern Foreign Language gives every child a chance to take part and enjoy a new language. It can provide a boost to those children who have difficulties in other areas of the curriculum. Some children have previous experience of learning a modern foreign language and can apply the skills and strategies they have learnt.
